

## OF MEMBERSHIP

**CGPS delivers a vibrant community of esteemed colleagues and lifelong learners unlike any other in our geographic region.**

There are a number of benefits to belonging to CGPS, including, but certainly not limited to the following:

- Network with our esteemed community of multidisciplinary professionals
- Subscribe to our list serve and/or forum
- Participate in special members-only training, networking, and social events
- Become eligible to apply for AGPA and CGPS scholarships
- Engage with colleagues and friends in CGPS committee work
- Improve group leadership skills
- Qualify to serve in leadership roles within CGPS

**CGPS MEMBER DIRECTORY provides easy networking.** Make and receive referrals from your member colleagues, or look up someone you met at a recent workshop by first name. View the Member Directory under the Membership Tab of the website when fully logged in.

**SOCIAL MEDIA:** Stay connected via our Facebook and LinkedIn pages, and use our Members' Forum to post announcements and participate in online discussion.

**GROUP POSTINGS:** Have your groups posted to our website for pickup by major search engines. You can also post a flyer along with your group listing.

**RSS FEED:** Subscribe to RSS feed to link to our website homepage blog and to the CGPS Forum for updates delivered straight to your RSS reader.

**DISCOUNTS & EARLY BIRD REGISTRATION:** Recoup the full cost of your membership and more by taking advantage of Early Bird Registration and your Member Discount when registering for CGPS sponsored workshops.
